

Primary Faculty Mentor Statement of Support

Student applicant name:

Faculty name:

Please review and indicate your support for each of the following with regards to the student named above:

- I support this student's participation in the [NeuroTech training program](#), including their participation in the Summer Intensive Neuroscience Bootcamp, the Neuroscience Core courses, a data science course, the NeuroTech training seminar and a summer internship in industry or academia.
- I support this student's current proposed training plan, and understand it may change over time in consultation with me and others to best address their research and career goals.
- I support this student's current proposed research plan and their engagement with their secondary mentor.

Engaged and supportive faculty are essential for the NeuroTech program's success. Please review and indicate your support for the following faculty mentor requirements:

- I am an affiliate of the Wu Tsai Neurosciences Institute. (If you are not currently an affiliate, you can [join here](#).)
- I will participate in occasional meetings, committees, seminar classes or workshops to support the development of the NeuroTech program or in my role as a NeuroTech trainee mentor.
- I will help recruit future cohorts into the program, including the recruitment of underrepresented minority students, women and students with disabilities.
